Intermediate Champions 2011!

And so it was to be, after two and a half hours of thrilling football, that only one team could emerge victorious from this enthralling encounter and that team - Coolaney/Mullinabreena. It took extra time, but this team simply brushed aside the opposition in that period to power eight points clear at one stage and finish out five in front at the whistle on a score line of 2.15 to 1.13. Best team triumphant? No question!

Drumcliffe started the game stronger and were three to one ahead on nine mins with Kieran Finan pointing for C/M. Scores were traded again leaving it four to three on fifteen mins with Finan again the finisher, one a free. Drumcliffe still had the better of things and hit twice to go three clear as the interval approached. Crucially C/M responded late with first a long range free from Finan before Criostior Davey hit a fine score to leave only the narrowest of margins at the break.

Big Scores! Big difference!

The supporters were hardly settled after the interval when Criostior Davey had goaled in superb style for C/M. It was a brilliant move and one/two with Eoghan O'Dowd followed by a scintillating finish. Green flag! Game on! The busy John McGowan then pointed to go three ahead. Drumcliffe hit a free before the influential Bary Kivlehan pointed. True to form with this final, it swung back once again.

Drumcliffe were on a par within ten mins to leave it 1.07 to 0.10. Critically, Cian O'Dowd knocked the ball to safety with a magnificent goal mouth clearance before B Kivlehan fired over with an assist from Declan McCormack. Bravely, Drumcliffe found two scores to go one up with five mins left. Wing back Conor Gorman stood up with an outrageous effort which looped for an age before landing on the net. Deadlocked once again! Two mins to go! C/M had chances to win in normal time with a Finan free dropping short and an effort from E O'Dowd clipping the post. Finan was then cynically fouled by the dugout and a five min delay ensued to treat and replace the captain. The game resumed and was blown up a min later. 1.09 to 0.12. All square. Chance for breath! Next episode!

These men were not to be denied. Maybe for the wounded captain or maybe because they just could, they were inspired to celestial new heights in extra time. They outscored Drumcliffe 1.03 to 0.1 in the first period. Statement of intent! The Drumcliffe no.2 seeing a second yellow was a crucial

moment also. Two frees from sub Raymond Connolly and a gem from midfielder Ray Gallagher were followed by the defining score of this tie. E O'Dowd again linked with Davey before pilfering a goal of real class to extend the daylight. 2.12 to 0.13. The second period continued in the same vein. Two further clinical frees from Connolly and a fine effort from McCormack left a gap of eight. Drumcliffe did find the net through a deflected effort but time was blown on this gripping final. 2.15 to 1.13. Unbridled scenes of joy followed as Captain Kieran Finan accepted the Joe McMorro cup before the large contingent of supporters.

Custodian Frank Brennan was solid throughout. Shane Marren led the full back line with aplomb and was well supported by Sean Gorman and Enda Kivlehan. Cian O'Dowd again showed his class at No.6 whilst wings Conor Gorman and Shane Kivlehan kept the reigns tight all thru. Gorman's equaliser stood out. Midfield paring of Brendan Coleman and Ray Gallagher saved their best from for this replay and profited well all through. Barry Kivlehan was

the game's outstanding performer at no.11, influencing matters from start to finish. John McGowan had a game from the ages on the wing and Declan McCormack continued to impress to the end. On the inside line captain Kieran Finan again showed his undoubted pedigree, notching four points before leaving the arena injured. Either side Criostoir Davey and Eoghan O'Dowd tormented respective markers all game and displayed the finishing instinct of great forwards. Those goals never to be forgotten! Substitute Raymond Connolly proved deadly from placed ball with four from four. Aidan Coleman, Stephen Barrett and Cian Gorman all impressed when called upon. Spare a thought for injured soldiers Shane O'Brien, Colin Connolly and Matt Conlon. All played a part. It couldn't have been done without!

All told, this was a resounding team performance borne out of unrelenting work ethic, superior fitness and of course, no little class. It always outs in the end! This team has an ideal blend of experience and youthful audacity. Most importantly though all inculcated with belief and confidence

from the astute management team of Denis Gormalley and Brendan Kivlehan.

Great scenes of elation in the aftermath yes, but the difference this time being they want more. The next step on the journey is already in sight. Ambition is the new key word and so it should be! Sport witnessed at its finest!

Scrap Saturday Success

Many thanks to all those who donated items to our scrap metal collection fundraiser on Sept 23rd last at Nace O'Dowd Park. The response was truly overwhelming in what turned out to be a very successful event. The scenes on the day were reminiscent of the old 'meitheal' tradition with assistance and good will in abundance. The support of our communities is greatly appreciated. **Thank You!**

A special club donation of €500 has been made to the local Honda 50 rally from the proceeds of the scrap metal collection. They in turn are supporting the double causes of Northwest Hospice and Breast Cancer Care charities.
