Sligo Sport and Recreation Partnership will be hosting a Basic Awareness course on the 'Code of Ethics and Good Practice for Children's Sport'. The Code is built upon a number of core principles relating to the importance of childhood, the needs of the child, integrity & fair play, relationships and safety in children's sport. The course is for the benefit of everyone involved in sport for young people including coaches, sports leaders, parents/guardians etc.

The 4 hour Basic Awareness course has been revised by the Irish Sports Council and from 2011 it will now be 3 hours in duration. This change is in response to feedback from participants and tutors attending and delivering the initial course. The revised course will continue to effectively educate participants on the implementation of best practice in protecting the welfare of children involved in sport.

Limited places are available on the course and pre booking is essential as it is on a first come first served basis. Each individual must fill out an application form and return it, with fee, to the address below by Friday 14th September 2012. For more information contact the Partnership at 071-91 61511. .
