Match Regulations for All Adult Football & Hurling games in 2014

.Only E-Mails from Club secretaries will be dealt with. All correspondence will be issued to club Secretaries only.

- No guarantee in relation to the order/sequencing of games each weekend for clubs with more than one team. The decision of the C.C.C. will be final.
- Clubs with more than one team must name their Top 12 players that can only play in their first team. This list must be with the C.C.C. prior to the First Warm-up League Fixtures.
- Four hours notice to the C.C.C. in relation to unplayable pitches – failure to do this will result in points forfeiture for the home club.
- No games can be called off without a pitch inspection (by an official referee) - if a match is called off without an inspection, points will be awarded to opposition. If in doubt contact C.C.C. at least four hours before the scheduled throw in and they will arrange an inspection by an official referee. In relation to unplayable pitches the match will revert to the oppositions pitch and the C.C.C. will have to be notified at least four hours before the scheduled match time to allow communication with the referee. If both pitches are unplayable the C.C.C. will arrange an alternative date.
- If any Club Adult Team does not field for **any** game in the league or championship they will be fined up to €500 and on a second failure they will be removed from the competition and fined €500. Failure to pay these fines will see the clubs allocation of All Ireland tickets for 2014 forfeited.
- The C.C.C. will not entertain any change requests for any fixtures for weddings/stags/other reasons. If a club wants to make a change they must contact the other club and arrange a revised date within ten days of the original fixture and notify the C.C.C. at least 48 hours before the scheduled throw in. Both Clubs must contact the CCC by e-mail to confirm the agreed changes. The CCC will then arrange a referee for the revised agreed fixture. If both clubs cannot agree to a revised date the original fixture will go ahead as planned. The C.C.C. would encourage foresight on the part of Clubs and have no issue with a fixture been played before the date in question.
- Any requests for a fixture on a specific Day/Time should be made via e-mail at least two weeks prior to Fixture. The C.C.C. will consider such requests but no guarantee can be given that requests will be granted.
- Clubs should have their pitches properly lined and flagged for all games with consideration given to health & safety with respect to goalnets, flags etc.
- Team Sheets will only be accepted from the GAA online Registration system and Sub Slips from the printed template sent to all Clubs. Failure to comply will result in the loss of points for that game and a minimum fine of 200 euro.
